THE LION AND THE LAMB | WEEK 1

SINS + WINS:

- What *sins* do you need to *confess*? (A sin is any choice you made that didn't honor God or show love to others)
- What *wins* can we *celebrate*? (A win is any choice you made that honored God and showed love to others)
- *Pray*: Thank God that He is faithful to forgive, cleanse, and help you become who you were meant to be.

SCRIPTURE:

Main Point - Both _____ and _____ point to the divine identity of Jesus.

1 Many have undertaken to draw up an account of the things that have been fulfilled among us, 2 just as they were handed down to us by those who from the first were eyewitnesses and servants of the word. 3 With this in mind, since I myself have carefully investigated everything from the beginning, I too decided to write an orderly account for you, most excellent Theophilus, 4 so that you may know the certainty of the things you have been taught.

Luke 1:1-4 NIV

- When was the last time you “investigated” something? (Even if it was just a Google or ChatGPT search to answer a question you had.)
- Why do you think “many” people wanted to write accounts about Jesus?
- How did Luke choose to investigate Jesus? What did he want Theophilus to know?
- Do you think that asking questions about Jesus is bad? Why or why not?

APPLICATION:

If you are a Christian, be like _____. **If you're not following Jesus, be like _____.**

Work to know *what you believe, why you believe it, and be ready to share* when someone asks about it!

Think about your History with God. This is your testimony! Start to map out how God has worked in your life on your own timeline. This is the best place to start when someone asks about your faith!

(I was ...)

(But God ...)

(And Now ...)

What other questions do you have?
